2. SAFETY

CAUTION

- For your own safety and the safety of others, carefully read these instructions before using this gun.
- Only handle your gun in its safe condition.
- Always make sure that the muzzle points in a safe direction.
- Please also always observe the legal regulations effective in your country for the use of arms.

SAFE

FIRE

3. INSERTING AND CHANGING THE CO₂ VERSION OR GREEN GAS VERSION

- Always make sure that the muzzle points in a safe direction.
- There may be a minor discharge of gas when you remove the gas capsules.
- For green gas version, do not need to remove gas capsules. Follow steps 1, 2, 5-1, 8, 9.

Make sure that your hands do not come into contact with discharged CO₂ gas. This may cause freezing of the skin. Do not expose the CO₂ cartridge to excessive heat. Always adhere to the warnings and safety instructions of the manufacturer on the gas cartridge in respect to handling and storage of a CO₂ gas container.
